PRIVACY Information Notice

Your personal data will be processed to detect if you as visitor to an Airbus (or affiliated company) site can potentially be a carrier of a specific virus or pandemic subject to a health crisis within the meaning of the OMS / WHO in order to ensure the tracing of visitors in the event of contamination and to manage the access to the site accordingly.

The data processing is based on both the legal obligation (Infektionsschutzrecht) and legitimate interest of AIRBUS to protect its employees of potential contamination.

We, as controller, process your personal data as follows:

Data	Purpose(s)
1 . Identification data: Last name, first name, company	Unequivocal identification of the declarant in case of need
2. Identification data: private address, private phone number, E-Mail	Fast identification of the declarant in case of need
3 . Countries/regions visited recently	Determine if the data subject could be directly exposed in one of the countries or regions concerned with the current medical/pandemic crisis and manage access to Airbus sites accordingly
4. Date of entry into Germany	Determine whether official quarantine requirements and the corresponding access regulations for Airbus locations have been complied with
5. Health data: Negative PCR Test result issued on 2. Negative PCR Test Result issued on; 14-day self-isolation period (from/to)	Determine whether official quarantine requirements and the corresponding access regulations for Airbus locations have been complied with

Above mentioned data will be stored in paper in a safe and secured file held by Airbus Security Department, for the period of your stay with a maximum of 4 weeks.

Recipients

We disclose your personal data for the above listed purposes to the following recipients: Human Resources (medical service of the visited site), Security (including Fire & Rescue), Crisis Management of Airbus (and affiliates)

Your Rights

As data subject you have the right of access, rectification and erasure of your personal data, a right to restriction of the data processing concerning you.

To exercise such rights, you can contact the Site Security Manager of the visited Airbus site or dataprotection@airbus.com

You also have the right to lodge a complaint before the Data Protection Authorities, preferably the one competent for the site such as the CNIL in France, ICO in UK, AGPD in Spain, Datenschutz-Hamburg and other relevant Lander authorities in Germany etc..
